Mr. Meyer's Message

There is a lot going on in the SMS building right now! Improvements are happening everywhere; painting, plumbing, new carpet, and a new phone system. The school has an official Facebook page now and can be found by searching: St. Michael Catholic School Brookville or @smsbrookville on Facebook.

Enjoy your summer and take care!

Mr. Meyer

The teachers will be here to answer your questions and to explain what will be expected from your child for the upcoming school year. They will also give you a wealth of knowledge regarding what your child will be doing academically, walk you through a day in the life of your child, and give you tips on how you can help him or her succeed in the classroom.

Assistance will be available in the computer lab to answer questions about Jupiter, our grading system, the Parent Teacher Organization will be here to help you sign up for classroom parties, and stop by the "specials" teachers' (Art, Music, Computer & PE) table for a door prize.

Finally, we are asking that you bring in any large school supplies this evening to each of your child's classrooms. This includes tissues, disinfecting wipes, and copy paper.

This evening is a knowledge night, not a registration night. If you were enrolled in a FACTS payment plan for the 2018-2019 school year, your account has automatically been re-enrolled into the same payment plan for the 2019-2020 school year. If you wish to change your payment plan, please contact Donna Weekley at 513-869-0391 or dweekley@etczone.com by June 28th. Your account will be finalized on June 28th and you will be charged the \$45 FACTS Payment Plan fee to the checking account or credit card account on file with FACTS within 10 days following June 28th.

If you have questions, please contact Donna Weekley, Business Manager, at the St. Francis Center Parish Office.
